Parliamentary Friends of Landcare

Many Hands, One Voice

Thank you for being part of the NSW Parliamentary Friends of Landcare.

We look forward to working with you all, from across the political spectrum, as a group that will promote and support the work of the Landcare movement within Parliament and the wider community across NSW.

Who is Landcare NSW?

In 2007 Landcare NSW was formed by a group of volunteers who recognised a need for a unified voice to represent the State's community Landcarers.

Landcare NSW is the representative body for the community Landcare movement in NSW with a 22-member Council covering all regions. We are a volunteer network of around 60,000 community Landcarers covering every electorate in NSW - rural, regional and metropolitan - taking many forms including Bushcare, Coastcare, Rivercare and Dunecare.

Ways we can work together:

At Parliament:

- Host a Parliamentary Friends of Landcare annual event in Parliament House to coincide with a meeting of the Landcare NSW Council
- Attend meetings to talk about policy and legislative changes
- Participate in a field trip or "hands-on" project at a Landcare initiative close to Parliament House
- Encourage your colleagues to join
- Support an award or competition.

Like our page on Facebook "Landcare NSW"
Follow us on Twitter @LandcareNSW
Keep up to date on our website www.landcarensw.org.au

In your electorate:

- Join your local Landcare Group
- Attend local Landcare events
- Support your local groups by fundraising and campaigning for appropriate grants
- Issue media announcements for successful local Landcare grants and awards (e.g. hosting a local coordinator)
- Follow your local Landcare groups on social media and share their content
- Host events or meetings in your premises or at Parliament House
- Include local stories, events and achievements in your newsletter
- Deliver Private Members Statements drafted with the assistance of your local Landcare group
- Assist your local Landcare group in making connections with local government and other civic organisations (e.g. to enable them to participate in the annual Anzac Day memorial service)
- Make flyers available in your electorate office
- Invite Landcare to attend other events organised by your office (e.g. Christmas party, Australia Day celebrations)
- Promote your local Landcare group through events.
