# Parliamentary Friends of Landcare

*Many Hands, One Voice*

Thank you for being part of the NSW Parliamentary Friends of Landcare.

We look forward to working with you all, from across the political spectrum, as a group that will promote and support the work of the Landcare movement within Parliament and the wider community across NSW.

## Who is Landcare NSW?

In 2007 Landcare NSW was formed by a group of volunteers who recognised a need for a unified voice to represent the State's community Landcarers.

Landcare NSW is the representative body for the community Landcare movement in NSW with a 22-member Council covering all regions. We are a volunteer network of around 60,000 community Landcarers covering every electorate in NSW - rural, regional and metropolitan - taking many forms including Bushcare, Coastcare, Rivercare and Dunecare.

## Ways we can work together:

### At Parliament:

- Host a Parliamentary Friends of Landcare annual event in Parliament House to coincide with a meeting of the Landcare NSW Council
- Attend meetings to talk about policy and legislative changes
- Participate in a field trip or "hands-on" project at a Landcare initiative close to Parliament House
- Encourage your colleagues to join
- Support an award or competition.

Like our page on Facebook "Landcare NSW"  
Follow us on Twitter @LandcareNSW  
Keep up to date on our website [www.landcarensw.org.au](http://www.landcarensw.org.au)

### *In your electorate:*

- Join your local Landcare Group
- Attend local Landcare events
- Support your local groups by fundraising and campaigning for appropriate grants
- Issue media announcements for successful local Landcare grants and awards (e.g. hosting a local coordinator)
- Follow your local Landcare groups on social media and share their content
- Host events or meetings in your premises or at Parliament House
- Include local stories, events and achievements in your newsletter
- Deliver Private Members Statements drafted with the assistance of your local Landcare group
- Assist your local Landcare group in making connections with local government and other civic organisations (e.g. to enable them to participate in the annual Anzac Day memorial service)
- Make flyers available in your electorate office
- Invite Landcare to attend other events organised by your office (e.g. Christmas party, Australia Day celebrations)
- Promote your local Landcare group through events such as:
  - o Community and Philanthropy Partnerships Week (7-13 Dec 2015) <http://www.communitypartnerships.com.au/>
  - o National Volunteer Week <http://www.volunteeringaustralia.org/2014/11/2016-national-volunteering-conference-theme-announced/>
