ROYAL EASTER SHOW COLOURING COMPETITION

PROJECT PROFILE: Managing Established Pest Animals and Weeds Project (MEPAAW)

Landcare NSW are working with the NSW Department of Primary Industries (DPI) to help run workshops to increase knowledge of our pest animals and weeds living in the bush and on farms. They can damage and impact on our native plants and animals and also our crops.

Rory is a feral pig. He normally hangs out in the Central West Lachlan Landcare Office in Parkes. Painted by Artist, Gavin Coote from ABC Radio, Rory has accidentally become the mascot for the MEPAAW Project. Colour him in and bring him to our Stand at the Show between 19-22 April 2019.
