Dear Mr Chaffey

Wayne

I am writing in relation to your letter on behalf of the Tamworth Regional Landcare Association (TRLA) requesting the extension of the NSW Landcare Program beyond June 2023.

As a member of the NSW Parliamentary Friends of Landcare and the TRLA, I assure you I understand the outcomes of the extensive work that has been achieved by your entire organisation to improve our environment.

To enable the success of the TRLA to continue, I have today written to the Minister for Agriculture and Minister for Western NSW the Hon Dugald Saunders MP requesting the extension of this program.

I will support this program in every way I can and will be in touch with you as soon as a reply is received.

Yours sincerely

Hon Kevin Anderson MP
